## Nominations for Annual Chamber Awards are now being accepted.

It's that time again! The Hardin County Chamber of Commerce will be recognizing and presenting the Chamber Champion Award, the Chamber Hall of Fame Award and the Fort Knox/Community Partnership Award at the 2013 Hardin County Chamber Awards July Luncheon. To nominate a person(s)/business for any one of these awards please visit the Chamber website for a nomination form and return it to the Chamber office.

## Now taking application for the 2014 Leadership Hardin County Class

Leadership Hardin County (LHC) is a twelve session, eleven month long program scheduled annually, which provides a unique opportunity for interested citizens to learn about the needs and resources of their community. The program is sharply focused on concerns and capabilities of our ever changing and growing communities. Through lecture, presentations, practical exercises, visitations, independent study and meetings with key community leaders, class members will examine the community's organizational structure and associated City, County, State and National resources available to assist the community in meeting the needs of the residents. LHC class members are a diverse group of dedicated individuals who are interested in examining and experiencing ways to help the communities in which they live. The class will be challenged to develop and implement a community project which solidifies the bond that develops between classmates while making Hardin County a better place to live, work, and play. To review the program calendar schedule and an application for the 2013-2014 LHC Class go to the Chamber website or for more information please contact Helen Miles or Anna Randall at 765-4334. Deadline for submitting applications is July 1, 2013.
