Dear Friend:

It's TEE TIME! The 36th Annual Hardin County Chamber of Commerce Fall Golf Scramble will be Friday, October 21, 2022 at Heartland Golf Club in Elizabethtown. We expect 100 golfers to participate in this fun-filled event.

The proceeds from the golf scramble help fund the Work Ethic Certification Program – a partnership between the Chamber, Hardin County Schools and Elizabethtown Independent Schools. This is a vital program to help students build and create habits that will make them more employable after graduation and prepare them for college or a career.

Your generous donations make this program a success. The impact of the Work Ethic Certification program is strong and affects our economic vitality. Please accept our request for a donation for the 2022 Spring Golf Scramble. Your support is greatly appreciated.

Our appreciation to your company will be noted in the golf program, social media, newspaper, radio and other venues.

Please contact me with any questions at 270-765-4334 or kendra@hardinchamber.com.

THANK YOU!

Kendra Scott
