

Small BUSINESS

FREE SEMINAR SERIES

APRIL 18 8:30 - 10:30AM
STATE THEATRE ELIZABETHTOWN, KY

Discover resources available locally and through various government organizations that can help small businesses start, grow, and expand.

When it comes to running a small business, having the right tools for the job can make a huge difference. Learn about tools available to you that will help you be successful.

Learn how to educate yourself on entrepreneurial best practices and financing options that are available to you right now.
